Instant petition has been filed against the order of framing charge against accused-petitioner for offence u/s.457 IPC vide order dated 25th April, 2005.

Counsel for complainant has informed this court that prosecution witness has been examined in part and petitioner is now facing trial for more than two and half years. Even from the statements of complainant and also of his witnesses recorded u/ss.200 & 202 Cr.P.C., every one has stated about alleged incident which has taken place. On the basis of material which has come on record there is strong suspicion of offence being committed, no interference at this stage is called for. Consequently, the misc. petition stands dismissed.
